As the snow flakes fall gently on the windowsill, and the cars begin to pull into the driveway in the coming days, we would like to thank each and every one of our extended family members for the best year we've had, ever! In 2013, we had two full European Tours, headlined at Panama City Beach three days in a row as a hurricane circled the Gulf of Mexico, beating the storm, and recorded material for an upcoming live DVD as well as songs for the new studio album. It's been a great year, and 2014 promises to top it. We hope you join us for our ten year anniversary celebration!

Year In Review

After returning from our latest tour in Europe in early December, we've had a chance to look back on all that has transpired over the past year. It was immediately clear that we have our loyal fans from all over the world to thank for making it a fabulous year for Skinny Molly. YOU made it happen! We played a ton of gigs all over the USA and Europe, and YOU came to the shows and YOU bought the Haywire

Riot CD's, and most importantly, YOU helped spread the word about the band. We can't thank you enough for your support! Whether you are a newbie fan or an "old timer", It's a simple fact that without YOU, there's no us. So, our most heartfelt thanks, for making 2013 our best year yet!
